Trail Riders of the Canadian Rockies

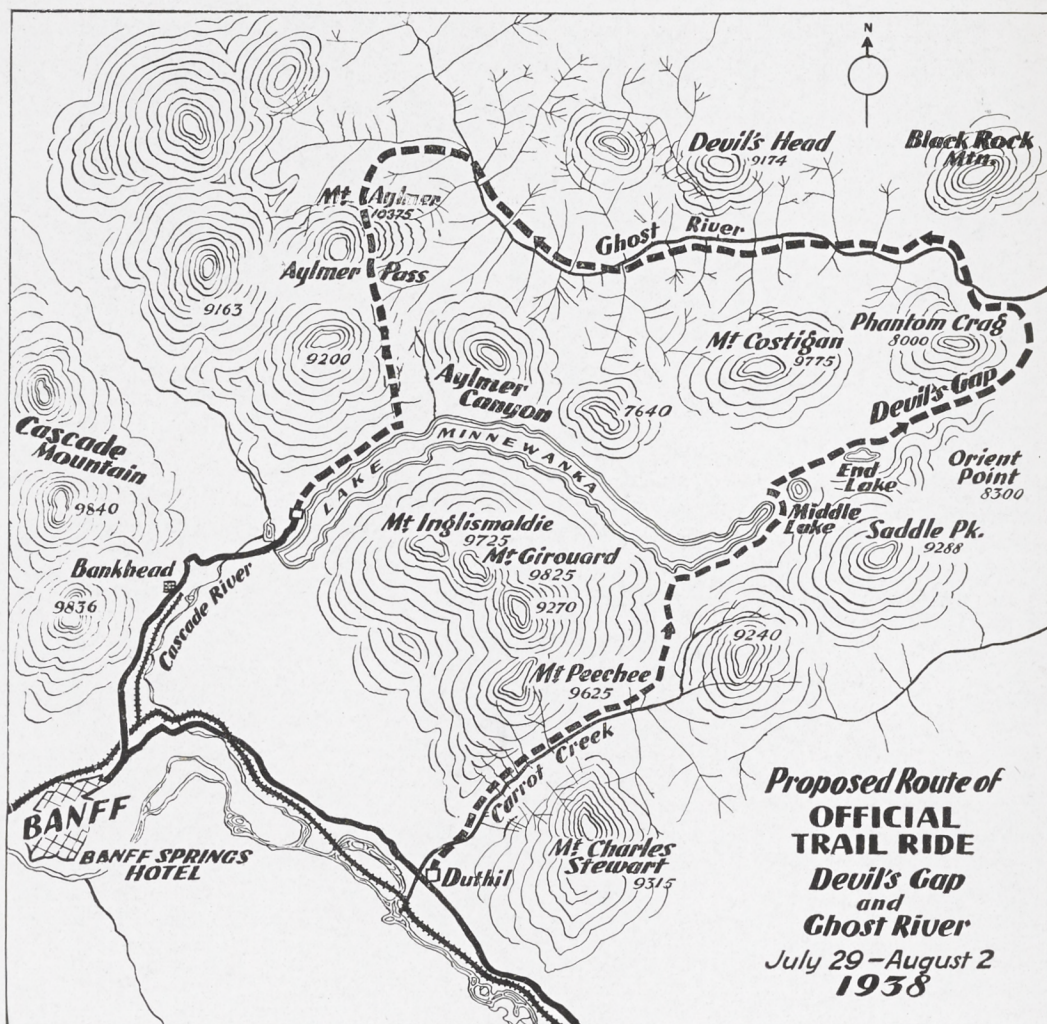

BULLETIN No. 50

Now that Spring is with us again, we are thinking about plans for the Summer, and lest any forget about the Trail Ride, this bulletin is sent as a reminder that July 29th to August 2nd is the time and that the route will take in Devil's Gap, the Ghost River and Aylmer Pass. The old Indian trail through Devil's Gap was much traversed in the days of the fur traders, but is now not so well known. On this ride we go beyond the Park boundary into the Forest Reserve. In order to make sure that the trail is in good shape and that the best sites are chosen for the three camps, President R. H. Palenske and Ed. Ogan are planning to go over the route early in July.

Already a number of those who were on last year's Trail Ride have written in to say that they will be with us again. There will be a contingent of newcomers also, so that we are already sure of a good party. We have a letter from Mrs. Bill Brewster, offering the same special rate as she quoted last year to Trail Riders who want to harden up the week before at the Kananaskis Ranch.

As we have only a limited number of sleeping bags for rent and several who made applications at the last moment had some difficulty in getting them from other sources, those who wish to be sure this year will do well to put in reservation without delay. The rental rate will be \$5.00 for the trip. The rate for the Trail Ride itself, including motor bus from Banff to Carrot Creek and from Lake Minnewanka back to Banff will be \$45.00.

Members who have not yet paid their annual dues for the year 1937 are requested to send their cheques to J. M. Gibbon, Secretary Treasurer, Room 324, Windsor Station, Montreal, Canada.

At the Annual Camp of the Alpine Club of Canada held last year in the Little Yoho Valley, your Secretary saw some very fine photographs of trail riding taken by Dr. A. T. Wiebrecht, of Milwaukee. Dr. Wiebrecht promised to send a selection for reproduction in one bulletin, and as members will see from this issue, he has been as good as his word. The photograph on our front page of Simpson Pass with Ralph Rink in the foreground and Mount Assiniboine on the horizon will bring to mind our Trail Ride of last year. The marvelous picture of the shore line of Lake Magog shows us what we missed in that snowstorm.

Last year we were disappointed at the absence of Ivan Ivanoff and Don Petruscha, who entertained us in camp on previous Trail Rides with exhibitions of one-man wrestling. But he was with us in spirit and sends the story of the dream he might have had if he had been there, — see page five.

TRAIL RIDING IN EXCELSIS

By IVAN IVANOFFANDON PETRUSCHA

Illustrated by L. R. BATCHELOR

Strange things were happening to J. Mortimer Dolldup.

What had started out to be a pleasant horseback ramble through the pine-scented woods and up to the rocky reaches beyond timber-line was developing distinctly unusual features.

In the first place, his horse, a gallant but gentle bay, selected from a dusty corral by a bandy-legged, wide-hatted wrangler who, with the bland chicanery of his kind where dudes are concerned, had told him, "He's a seven-mile walker... best mount in the outfit...", was changing shape, size and color in a manner that had J. Mortimer definitely puzzled.

Nor was J. Mortimer the kind of man who liked to be puzzled. In his saddle-bags, for instance, were his toilet articles all neatly arranged; some clean handkerchiefs, a package lunch packed by the camp cook, a bottle of strong-water—just in case—a camera, and a folding drinking cup, and a detailed Department of the Interior map of the Banff National Park, kindly provided by Parks Headquarters at Banff, and anno-

tated in J. Mortimer's neat, painstaking handwriting.

Now, it appeared, the map and its neat footnotes and dotted lines would be useless for J. Mortimer, who prided himself on his woodcraft, could distinguish in this suddenly strange landscape no landmark even suggested in the topographical chart.

And—if he didn't soon change back to his normal self, Ironsides, his placid mount, would be useless too.

Ironsides was beginning to look more like a camel—and a nasty, rolling plunging, irritable camel, too, with every passing minute. The saddle seemed to have disappeared, and the saddle-bags too, and Ironsides' broad back was gone, and a high hump had appeared in its place. The legs of this strange new beast stretched away into infinity beneath him.

And to make matters worse, Ironsides, this disturbing horse, turned mastadon or camel, or worse, was heading straight for the weirdest rock formation J. Mortimer had ever imagined in his wildest dreams.

The fire-breathing behemoth, spreading his huge ears out

The sloping entrance to the pass toward which J. Mortimer had been surging aboard his tricky mount, suddenly became a mass of jagged peaks and chimneys, towering toward the sky; some leaning at sharp angles, others rising straight as turrets, some lying practically horizontally, but all of them topped by a round formation above which, like a spire, reared a sharp pinnacle.

And this was all bad enough, but horror heaped on horror in J. Mortimer's heart as the mastodonic Ironsides, his tree-like legs picking up speed at breath-taking pace, heated straight for the jarring tangle of twisted rock.

J. Mortimer uttered a strangled scream, and pulled leather with all the might of his 158 pounds.

At last, when he could stand it no longer, he opened his eyes desperately. To his surprise, the jumble of rocks had vanished, and Ironsides, taking the deep depressions like a prairie cayuse leaps gopher holes, was picking his hair-raising way over a veritable sea of craters.

Deep they were — Mortimer, had he been a seamen, would have said at least fifty fathoms, and filled with limpid pools in which the reflection of the strange steed

and his terrified rider mocked Mortimer as Ironsides plunged and leaped.

And then — Mortimer at first took it to be a flying meteor, the sky was lighted up for a flash as if by daylight, by a great burst of light. The stars were momentarily gone and the sudden glare blinded him.

Then it was gone as quickly as it came leaving Mortimer blinking in the sudden darkness.

His eyes again adjusted to the semi-darkness of the crater plateau, Mortimer concluded his mighty steed had carried him to — of all strange places, the moon itself.

Ruminating on this peculiar circumstance, and pinching himself to see if he was really awake, J. Mortimer froze in sudden fear as a mighty voice roared out in a tuneless, spine-tingling cachaphony:

"Hi Diddle, Diddle," thundered the voice, "The Cat and the Fiddle, The Cow Jumped Over the Moon, The Little Dog Laughed to See Such fun and the Dish ran away with the Spoon. Hi Diddle, Laeey Aeyee Aeyee", and the voice trailed off into a rollicking cowboy yodel.

Then the voice, mercifully, was gone and exposed to Mortimer's sight was a strange figure indeed.

He rode a lop-eared, ewe-necked cayuse with a rolling eye that was a terror to Mortimer, and the rider's face, as big and broad as the moon itself, was wreathed in smiles.

His moon face topped by a nondescript felt hat that was neither a campaign hat nor a sombrero, he wore a faded blue skirt from the frayed pocket of which peeped the paper tag of a sack of Bull Durham, and at his pommel was coiled a business-like lariat, and a pair of equally nondescript trousers concealed legs that was unmistakably bent to the contours of a horse — which is not to say he was bandy-legged; merely built for riding.

"Hallo" grinned this amiable apparition, "Hallo, How's the riding".

Mortimer, quickly recovering, made answer.

"Not bad", he said, "although I would prefer it if I knew where I was going, or rather where this cursed horse, or camel, or mastodon, or whatever he is — is taking me!"

"He is an odd-looking crittur, for a fact", agreed Ed, the Guide, with an appraising nod. "I don't know when I've seen such long ears" . . . (Mortimer could think of no other name for him than "Ed").

Mortimer took a quick look at Ironsides' ears.

"Good Lord" he said, "when did that happen?". For Ironsides' ears seemed to have grown fully twenty feet since he last looked at them. Oddly, too, they stuck out at right angles to his head, one on each side of his bulging eyes. Actually, they looked more like the wings of a giant bird or the wings of an airplane.

"Tell you what" began Ed. "I'll show you around the place — do you good. Come on, Let's go!"

And, kicking his mount into action, he was gone. Horse and rider leaped into the air and literally flew through space.

Instinctively, Mortimer aimed a sudden kick at Ironsides' midriff and the fire-breathing behemoth, spreading his huge ears out like the wings of a mighty auk, uttered a weird cry of anger and surged upwards with a rush of wind in Mortimer's ears to follow Moon-face and the broomstick.

Hardly had Mortimer accustomed himself to the rush of wind in his face, and the peculiar sensation of floating through space with no motive power other than Ironsides' outspread, idly flapping ears, when Ironsides uttered a strangled, terrified whinny and lunged violently earthward.

The trouble, Mortimer saw, as he fought for control of his wildly busking mount was a huge yellow cow with a silly expression on its face that kept playfully jumping through the air.

She would leap in a great arc through the sky, seemingly heading straight for Mortimer, and then merrily would jump past Ironsides' lolling head.

"A sprightly lady" he remarked to Ed., when he could recover his breath, "and a magnificent jumper, but I still don't like practical jokes!"

"Oh, she's not such a bad old girl when you get to know her" remarked the merry guide leniently, "but you know how it is; she jumped over the moon once when that reporter and photographer from the Mother Goose Gazette were here, and I think the publicity rather went to her head".

"You see" he continued, "perhaps I shouldn't mention this, but the Cow is pretty touchy about her jumping. In fact, right now she's in training... Olympic games, you know. She's got herself down to 1025 pounds now... a bushel of oats a day, just a handful of clover hay and about five quarts of bran mash... seems to be thriving, too, doesn't she?"

Just then, as if the situation needed any more bizarre features, the air was rent with a caterwauling whine that caused the hair on the back of Mortimer's neck to stand up rigidly.

It was a spine-chilling sound, indeed; like a soul in torment, or a pair of cats on an alley fence plighting their troth at 4.30 a.m.

Mortimer was a little surprised, when he recovered from the first shock and Ironsides' was back on an even keel, to note that Moon-Face and his sad-faced mount paid no attention to the voice of the soul in torment.

"What a weird sound!" he exclaimed.

"I guess you'd call it that" replied the genial outfitter, with a judicial cocking of a bushy eyebrow, "but actually he's getting better".

"Getting better!" said Mortimer, "who's getting better?"

"Why the Cat, of course" said Ed. a trifle impatiently, "who else plays the fiddle up here?" "You see", he confided, "the Cat has been taking a lot of kidding about his fiddling, and he's out to show the world that he can really play".

"Oh, he's not the fellow I've been hearing about on the radio, is he? Mortimer asked. "I mean the fellow who is supposed to have played that piece when he was ten years old, only no one will believe him?..."

"That's him" Ed. admitted, "The piece he said he could play was that Hi Diddle, Oolay Eelay Olayee thing I was humming

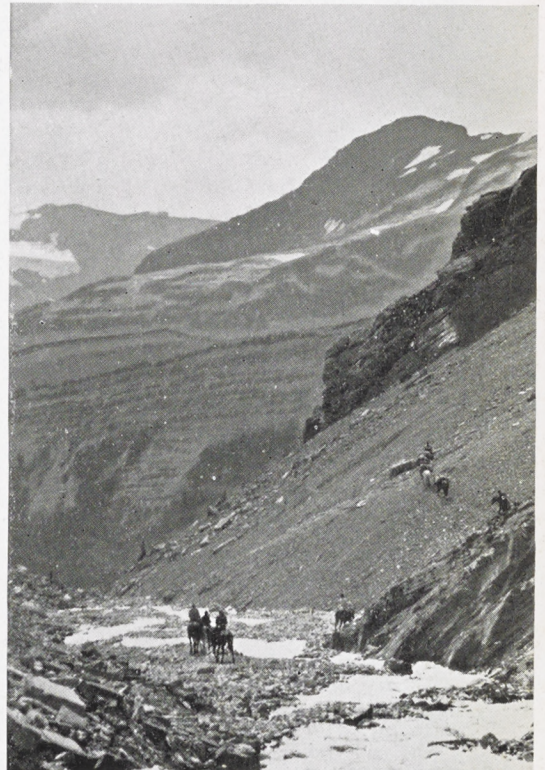

She would leap in a great arc

Campion Creek

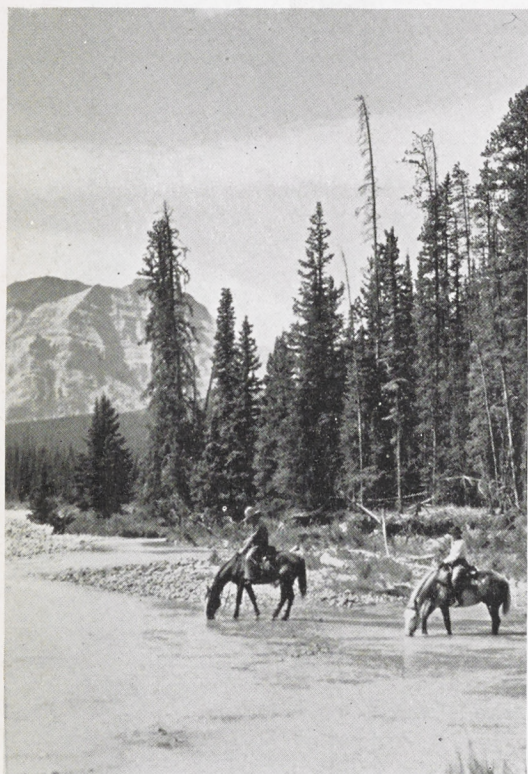

Last part of climb up Wall Pass

Campion Creek near Moose Pass

Mount Resplendent from Adolphus Meadows

Snake Indian River

Swoda Glacier just after leaving Moose Pass

when I first met you. He really fancies himself on his yodelling too..."

Just then it started again, the voice of the soul in torment, the agonized creature calling out against the unbearable torture of the rack and thumb-screw.

"There he goes again" said Ed., a cherubic grin spreading over his broad features, and he began to hum again. "I'm a lone coyote..." he roared. "Oolay eeoeee, Olayee Ooooo".

Mortimer thought his ear-drums would burst. What with the Cat and the roaring wrangler.

"But how about the Dog" said Mortimer quickly, to switch the conversation into happier avenues..." Is he still as good-natured?"

"Well, he's still laughing, if that's what you mean," said Ed.

"Probably laughing at the Cat's fiddling" Mortimer muttered under his breath."

Ed. suddenly pricked up his ears. "Why there he is now..."

The Dog was jauntily dressed in a snap-brim fedora, a grey suit in which a pin-stripe played a decorative part and the lapels of the coat were flared and one of them held a red carnation. His trousers were faultlessly creased, his shoes newly shined and he carried a light stick. All in all, Mortimer thought, a bit of a dandy.

"Hi, Cowboy", he shouted at Ed. "How's tricks... Did you hear my programme Wednesday night. Gosh, that was a good one I pulled on the cat, wasn't it! And is he sore!

Mortimer was just beginning to notice how the Dog talked with the same excited breathlessness as his laugh, when the Dog doubled up again in another outburst of mirth, slapping himself lustily on the thigh.

"The Cat isn't speaking to me" he continued, when he had recovered and wiped his streaming eyes. "I got a Lobster on my programme who played the violin — really played it, I mean, and he played Hi Diddle Diddle standing on his head, holding a girl in one claw and the sound effects man in the other, held the fiddle between his knees and the bow in his snappers".

"Better watch your step", Ed. admonished, "The Cat never forgives... and besides he might fool you and actually play the piece".

"Not a chance in the world" said the Little Dog, chuckling, "He can't play it, and he knows it".

"Can't play what?", enquired a rasping, high-pitched voice at his shoulder. Ed., the Little Dog and Mortimer looked around. It was the Cat. His whiskers bristled and his slanting green eyes were agate-hard.

The Cat began to strum his violin, holding it like a guitar and chording idly in what Mortimer thought was atrocious key.

"I'm a lone tom-cat, and I seldom scat" he began to chant, "Oo Oolayee Oooo-Olayee Ooo, Olayeeeee..." and the screeching voice trailed off into frightful echoes.

Mortimer took an inventory of this strange musician. The Cat wore a wide cowboy hat — Mortimer placed it at about the ten-gallon (Imperial) capacity, and a cerise neck cloth around his hairy throat. His shirt was a burnt-orange in color and flamed like a sunset on the Sahara. The pockets of this shirt were trimmed in some kind of dark purple piping and the buttons, gleaming mother-o'-pearl, set the garment off like a costermonger's coat. A wide belt was frogged with silver ornaments — they looked like Mexican dollar pieces set in the leather — and were just that, — and his leather chaps were bright with gay lacings, while his spurs, silver ones, were things of absolute beauty.

The Cat sat by a log, his feet hung down and swung idly in time to his strumming, humming and yodelling. Ed. dismounted, picked out a large rock, and sat hunched over, his face beaming, and began expertly to roll a cigarette.

The Cat continued to strum, and Mortimer, relaxing, felt hungry.

Ed., stamping the butt-end of his cigarette into the ground, rose, stretched and spat idly.

"Well," he said, "You keep 'em amused, Cat, and I'll see about the teppees", and with that he was gone, walking bandy-legged at a leisurely gait toward a heap of poles that suddenly appeared in the centre of the clearing.

Standing the poles on their butt-ends, Mortimer was interested to see him making a sort of crude cone-shaped pyramid. Soon he was producing sheets of canvas, some marked with strange devices in barbaric reds and blues, and stretching them over the poles. From somewhere he had got an axe, and it was flashing through the air cutting what looked to be tent-pegs, and the genial guide was busy tying the ends of the canvas shelter to the ground with these pegs. Soon Mortimer was surprised

to see teepees rising in all directions like mushrooms and the compound, deserted but a moment ago, was astir with sudden life.

Waddling cowboys with bags of duffle were wandering into camp; some one had set up a stove beside a long tent and two white-aproned fellows were making elaborate if swift preparations for a meal. Wide-hatted wranglers were off in the bush making more tent pegs and teepee poles and cutting firewood. One man with lariat tied to his saddle was dragging logs to the cook house where the cookee lustily swung an axe for firewood. Off to one side a rustic corral had been fashioned by pine logs, and dude riders were coming wearily in, dismounting stiffly and handing the reins to slim-hipped wranglers who were removing saddles and

bridles with lightning rapidity and stacking them in neat piles.

There was a smell of bacon in the air; there was a clink of bridles and saddles, and the sun was beating in hotly through the open flap of the teepee. Mortimer stirred in his sleep, opened his eyes, blinked against the glare, and a smile broke over his face. |

Thank God! His sleeping bag, his teepee; his saddle-bags in the corner of the tent, his horse, Ironsides, out in the corral, breakfast on the table—bacon, hotcakes and steaming coffee. And the ride over Fatigue Pass just ahead.

The dreams of the night were dispelled. Boots, breakfast and saddle were his only worries now.
